FOREWORD BY

PRESIDENT OF CLUB RAINBOW (SINGAPORE)

*President of Club Rainbow (Singapore),
Dr Sashikumar Ganapathy (Back row:
5th from left), with Medical Team*

This year marks a new chapter for our flagship fundraising event as **Ride & Walk for Rainbows evolves into Reach for Rainbow**. For more than a decade, this event has brought together participants, donors, volunteers, corporate partners and families around a common purpose – to journey alongside children and youths living with chronic illnesses and their families. What began with riding and walking has grown into something much larger: a community coming together in different ways, but always with the same heart.

The evolution to Reach for Rainbow reflects this growth. As the needs and aspirations of our children, youths and families evolve, Club Rainbow must evolve alongside them.

Our work today goes beyond providing support at particular moments of need. We want to journey with our beneficiaries through different stages of life – **building resilience, enabling greater independence, strengthening families and creating opportunities for meaningful participation in the community**.

The introduction of the **Climb for Rainbows** last year carries a particularly fitting symbolism. A climb reminds us that progress is seldom achieved in one leap. It is made one step at a time, sometimes through difficult stretches, and often with the encouragement and support of those around us. This is a journey familiar to many of the children and families we serve.

As Club Rainbow approaches our **35th anniversary in 2027**, we have much to be grateful for, but also much more that we hope to accomplish. We are entering our next chapter with a renewed commitment to deepen our impact, strengthen the continuum of support for our children and families, and create more pathways for them to pursue their aspirations and lead fulfilling lives.

None of this can be achieved by Club Rainbow alone. Our journey over the years has been made possible by a community that believes in our children and families – our donors, volunteers, partners, participants and supporters who continue to walk alongside us.

This is what “**Powered by Hearts, Together We Reach**” means to me. When people come together with shared purpose and compassion, we can create possibilities that no individual or organisation can achieve alone.

On behalf of Club Rainbow (Singapore), thank you for continuing this journey with us. **Together, let us keep reaching further – for every child, every youth and every family.**

Club Rainbow (Singapore)

ABOUT CLUB RAINBOW (SINGAPORE)

Established in 1992, Club Rainbow (Singapore) is a non-profit organisation and charity with the mission to support and empower children with chronic illnesses and their families. Armed with the firm belief that every child deserves equal opportunities to lead a fulfilling and independent life, Club Rainbow supports our children and their families in more than 30 critical programmes, services and assistance schemes. Adopting a holistic approach based on five core pillars of support, Club Rainbow partners our children and their families in their journey to achieve the following objectives at different stages of their lives:

Club Rainbow (Singapore)

Key Thrusts	Living with Dignity	Maximising Developmental Potential		Achieving Full Potential	
Objectives	Building Resilient Families	Developing Independent Adolescents		Empowering Individuals as Active Contributors	
Core Pillars of Support	Social Work Intervention	Therapy Intervention	Educational Support	Arts Development	Vocational Development

As an independent charity, Club Rainbow relies largely on corporates and public donations to support our mission. Granted the Institution of a Public Character (IPC) status by Ministry of Health, monetary donations received may be tax-exempted.

ABOUT CLUB RAINBOW (SINGAPORE)

Our Children

In 2025, Club Rainbow served over 5,000 individuals, including 1,221 children who range from new-born to youth of aged 20 years old. Many of them require frequent hospital visits for treatment or surgery, complicated therapy and long-term medication. Referred to us by their doctors, these children suffer from a wide range of health challenges, from having very low birth weight to developmental delays and many other forms of organ disorders. With over 85% of children surviving into adulthood, we provide the resources and opportunities to support their development towards becoming empowered, independent individuals and active contributors of the society.

Programmes and Services Supported by the Funds Raised

Financial Assistance

Deliver fresh produce to families in need, ensuring both financial relief and essential nutrition for our children's healthy growth. With just \$70, you can provide one pack of food rations to a Club Rainbow family for a month.

Educational Support

Empower our children with the gift of education, fostering positive learning values and supporting their academic journey. Your contribution of \$300 can provide an annual bursary for a child in lower primary.

Therapy Intervention

Help our children reach their full potential through targeted therapy services that cater to their diverse developmental needs. For \$100, you can fund one therapy session, making a lasting difference in a child's life.

Club Rainbow (Singapore)

ABOUT REACH FOR RAINBOW

Since 2012, Ride & Ralk for Rainbows has been a powerful symbol of movement, determination, and solidarity — each ride and each step represented the collective effort of Club Rainbow (Singapore)'s community coming together to support children with chronic illnesses and their families. As our community grows, so do the ways people choose to support our children and families. This rebrand reflects a shift from activity-specific events to **a more inclusive movement** — one where every form of participation counts, and everyone has a part to play.

Looking ahead, we are stepping forward with a **renewed commitment** to extend our reach, deepen our impact, and uplift even more lives together with our growing community. It is timely for our annual signature fundraising event to evolve alongside the children and families we journey with.

This year, we introduce **Reach for Rainbow** — “Reach” reflects something deeper than movement alone. It speaks to the heart of Club Rainbow’s mission — **reaching out** to provide support to our children and families; **reaching beyond** limitations to achieve our full potentials; **reaching towards** hope for our children and their families to empower them towards an enriching life.

Reach for Rainbow 2026 invites participants to take on three exciting crowd favourite categories: the **10km virtual Ralk** (run or walk), the **34km virtual Ride**, and the **10-storey** and **40-storey in-person Climb**. Each category offers four tiers, where participants can unlock them progressively through fundraising, turning every effort into greater impact.

At the heart of Reach for Rainbow is meaningful change that is powered by people who care. This year's theme, **Powered by Hearts, Together We Reach**, speaks to the collective strength of a community united by compassion, purpose, and the belief that every child deserves the opportunity to lead a fulfilling life. **When our hearts are united, our reach becomes limitless — together we reach out to support our children and families, reach beyond limitations, and reach towards hope.**
